Making it happen...

The logo for the Technical Invention Prize (tip 25) is displayed on a dark brown background. It features the lowercase letters 'tip' in a bold, blue, sans-serif font. A small white circle containing the number '25' is positioned to the right of the 'i'. To the right of this graphic, the words 'TECHNICAL INVENTION PRIZE' are written in a smaller, white, uppercase, sans-serif font, stacked vertically.

World Stage Design 2025 Sharjah

🔗 Mission

The heritage of our region we hold with pride. We embrace the stories; we enjoy the creative and we respect the history. Sharjah World Stage Design 2025 at Sharjah Performing Arts Academy (SPAA) is where we explore our next heritage whilst celebrating our past. Tomorrow's heritage is today's exploration. We create this heritage with our neighbours, as a global community.

Tomorrow's heritage is dependent on our environment, without it there is no need to create. At World Stage Design 2025 everything we do, we consider our ecological footprint, how can it be reduced, is it minimal, is there an alternative. We ask you to join us to do the same.

Green Theatre Network

Arabic translation of the *Theatre Green Book*.

Currently published in over ten languages, the resource is considered the world leading in how to produce performance and events in a more sustainable way.

Also, a MENA Green Theatre Network has been established to support conversation and ensure that the full translation is relevant.
